SALAM

Where the mind is without fear
And the head is held high,
Where the world has not been broken-
up into fragments by narrow domestic walls,
Where words come out from the depth of truth
Where tireless striving stretches its arms-
toward perfection,
Where the clear stream of reason has not lost-
its way
Into the dreary desert sand of dead habit,
Where the mind is led forward by thee”

Rabindranath Tagore

Our freedom fighters have dreamed of an independent India, and that is the reason why they were able to achieve it. Never stop dreaming because if you stop dreaming, you stop living.

Let's make a promise to ourselves that we will always protect our country, by maintaining brotherhood, helping everyone, and educating ourselves.

JAI HO

In the moonlight o the night sky
India's lantern of hope took to fly
As the earth rotates
The Chandrayan move towards the
moon
Chandrayan a brave and high
Set about on a pursuit to touch the
sky
Sky glaze afresh
Tide of emotions sweep through
In its arms, instruments of wonder
This held to study the moon
A rocket fired to destiny
Boosted by grace and traced by
confidence
On the lunar surface it gently landed
With wheels that touched the loose sand
of the moon
A lantern of progress, a symbol of might
With each exploration new chapter will
reveal
It is a proud day of India
Crafted by minds that dared to aspire
Chandrayan
Aimed to reach higher and higher
The much awaited moon mission
It made our country 4th to land on
moon
And 1st to land on South Pole
You are pride and strength of India.

Reason For Smile

The day full of rush
Seeing the flowers blush
Made me think to smile
Ofcourse for a while .

My grandmother was nagging
And my positivity was lacking
The flowers' beauty was precious
So I had to get jealous

All I could do was smile
Ofcourse for a while.

My friends get upset with me
But the nature's beauty is all free
Being cheerful is to have positivity
Which helped me complete all my activity.

So all I could do was smile
Ofcourse for a while
