

Teacher : Lamp of Nation

Fr. Jino Thomas MCBS
Principal

Teachers are considered the guiding lights who impart knowledge, skills, and values to the younger generation, thereby contributing to the development and progress of a country. In many societies, teachers are respected and revered for their dedication to educating and inspiring students. They are seen as the ones who ignite the flame of knowledge and enlightenment in the minds of young individuals, helping them become responsible and informed citizens. Recognizing teachers as the "Lamp of the Nation" emphasizes the idea that they are the beacons of wisdom and enlightenment that light the path toward a brighter future for a country.

Respected teachers, you are the guiding lights who inspire our students to reach for the stars, to dream big, and to become the best versions of themselves. Your dedication, passion, and tireless efforts in the classroom are truly commendable. Through your hard work and determination, you have not only imparted knowledge but also instilled values, ignited curiosity, and fostered a love for learning in our students.

Your role as educators extends far beyond textbooks and curriculum. You are mentors, role models, and sources of inspiration. You shape the future of our nation by nurturing the minds and hearts of the next generation.

On behalf of the entire school administration and staff, I want to thank each of you for your remarkable contributions to our school's success. Your dedication to the teaching profession is nothing short of exemplary.

As we celebrate this special day, please take some time to reflect on your journey as educators and know that your efforts are deeply appreciated. Your work is not just a job; it is a noble calling, and you are indeed the "lamp of our nation."

Once again, Happy Teachers' Day!

Teachers' day was celebrated with zeal and zest on September 5 in our school. The students of Class X took over the duties of the teachers' day celebration. All the students and teachers came together at the main stage. The program started with prayer and paying homage and floral tributes to Dr.S Radhakrishnan. Fr. Jino Thomas, the Principal, thanked all the teachers for imparting wisdom, skill, knowledge, igniting great minds and being the guiding light for the futuristic world. He urged the students to maintain the bequest of respecting teachers and lauded the entire staff for their exemplary contribution to the school's phenomenal success.

Students prepared Greeting cards and small gift boxes for each teacher as a token of appreciation and gratitude. Students conducted a rapid quiz to each faculty department. Mrs. Sultana Shaikh delivered a speech about the significance of the day. There were special programmes organised by grade X students like dances and skit.

The entire celebration paved a new hope for teachers to rejoice the journey as a teacher. The crux of the programme was **'Teacher: The Light of the Nation'**.

Mary Matha English Medium School Pingli (B) Under 14 Boys Team Won School District Baseball Championship 2023-24 and selected for Kolhapur Division School Baseball Championship 2023-24. Under 14 Boys Team Won School District Softball Championship 2023-24 and selected for Kolhapur Division School Softball Championship 2023-24.

On 20 September 2023, we celebrated Hindi Diwas in our school with great zeal and enthusiasm. The program began with a special Hindi morning assembly. Hindi faculty Mrs. Rekha Desai presented a short speech about the significance, virtue and importance of promoting Hindi. Further, Principal, Fr. Jino Thomas urged the students that we must respect and feel proud that Hindi is our Official Language and he congratulated the entire team of Program Coordinators. Students performed skits and dances. Program concluded with the vote of thanks by Sidhi Waware, on behalf of Hindi Department.

House Board Decoration

Students of respective houses decorated the house boards based on the significance of the month. Boards were beautifully decorated with the theme of Ganesh Chaturthi. Each of the Houses depicted the importance of the festival with special emphasis on their lifestyle, art and culture. They used vibrant colours to add life to the presentations. The zeal and vigour of the students was evident from the efforts put in by them in displaying their respective boards.

Capacity Building Programme

On 9 September 2023 a training session on **Decoding NCF for Foundational Stage** was organised. Training was led by **Mr. Sathish Mathew**.
